Congratulations Dr. Chu,

This spring, we reached out to graduating students, inviting them to acknowledge faculty, staff, and administrators who significantly contributed to their success at UHV. We informed the students that letters of appreciation would be sent to those they identified, recognizing their service to the students and the University community.

You were named as someone who has made a real difference in the lives of our students. This recognition from the students reflects your positive influence and dedication to their development. As the nominations are anonymous, consider this an especially heartfelt compliment.

You should take great pride in knowing that your efforts at UHV have not gone unnoticed by this semester's graduates. It is your commitment that enhances our students' academic and personal growth.

On behalf of the students at UHV, thank you for your dedication. Additionally, from the Division of Student Affairs, thank you for all you do to make UHV an outstanding university.

Sincerely,

A handwritten signature in blue ink that reads "Jay Lambert".

Dr. Jay Lambert
Vice President for Student Affairs
